

# How much have you given out to the AI world about YOU?

JENNY MIN

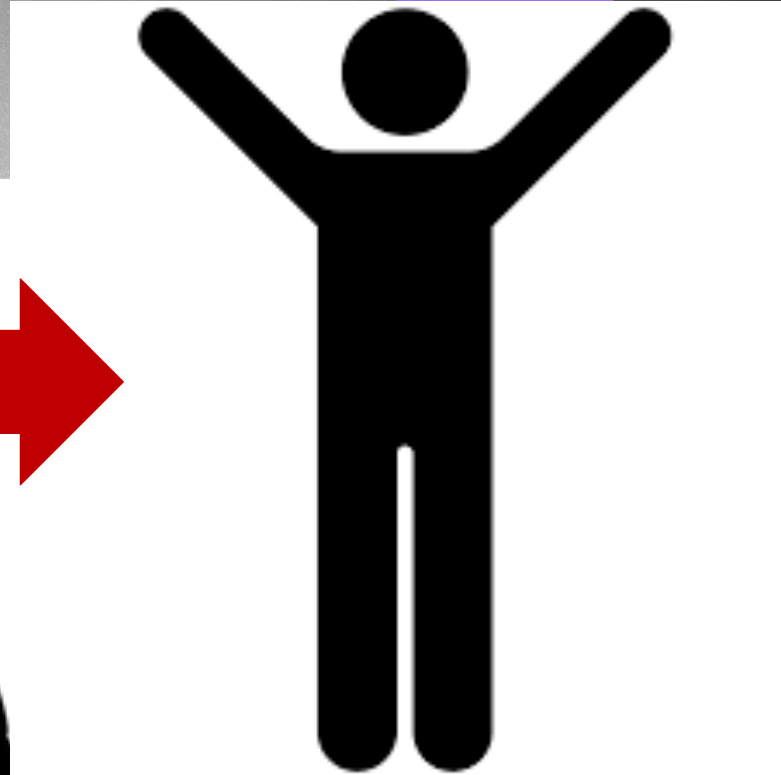

CHARLESTON SOUTHERN UNIVERSITY

CSCI 405.39 PRINCIPLES OF CYBERSECURITY

DR. MELTON

DECEMBER 1, 2021

# AI of Death

# Purpose - Who would like to use?

Personnel

Education purpose

Museum

Home-school

# Form of AI

Human looking like doll

Voice ONLY

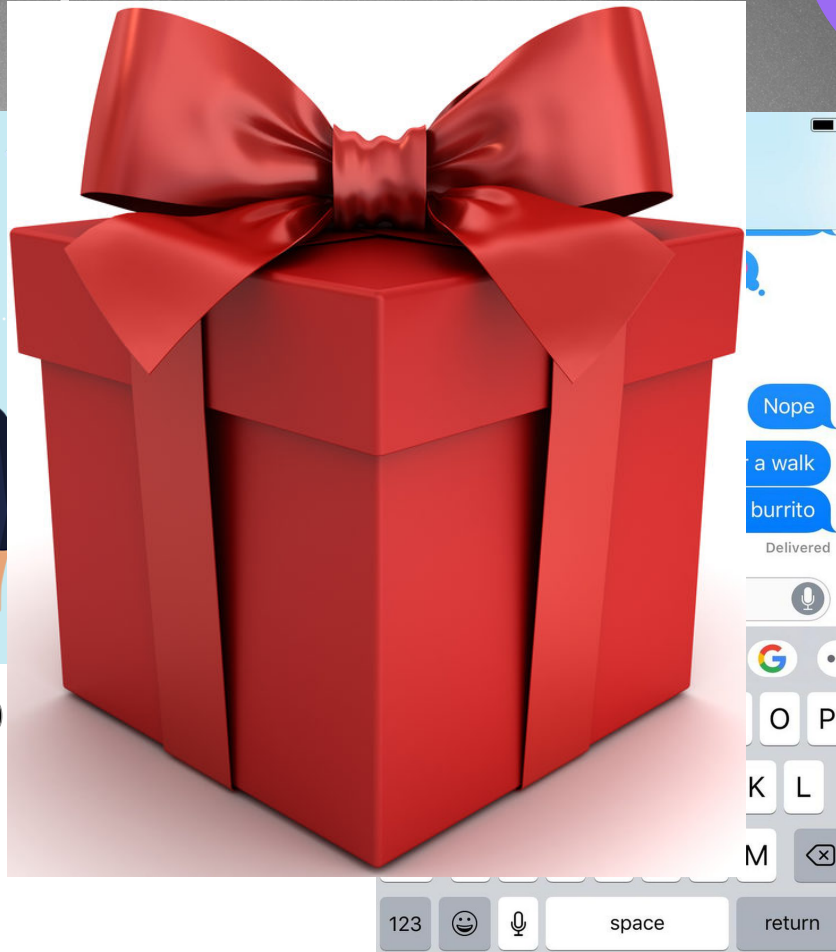

APP

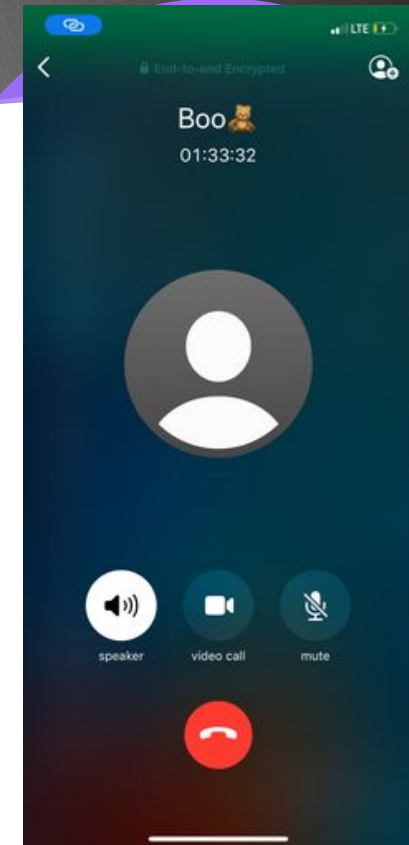

# What can you

Actual Conversatio

SMS

Call

## Side Effect / Moral Issue

Confusion with reality

Lock into the loop

Mental issue

Un-helpful

# Data Exposure

# Privacy Invasion

SSN

Name

Date of birth

Gender

Email address

Phone number

Occupation

Race

Nationality

Individual's emotion state

Individual's way of speaking

Individual's vocabulary selection

Individual's taste

Individual's lifestyle

# Permission

Call

SMS Message

Microphone

Calendar

Media

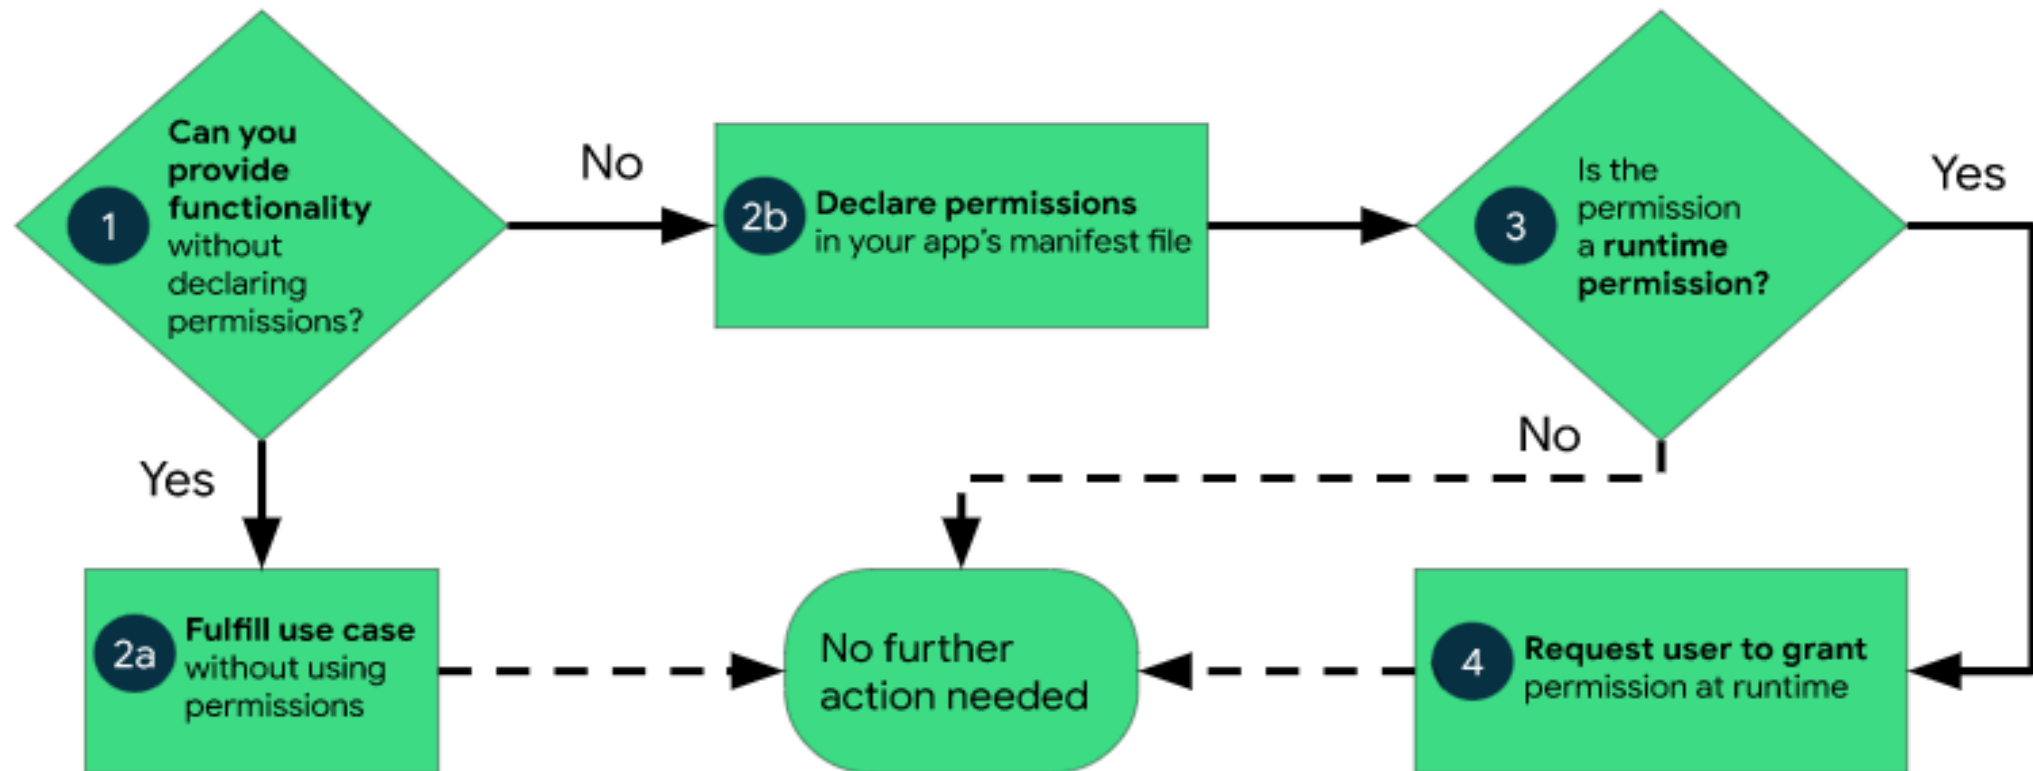

Storage

Notification

Location

# Workflow Diagram

How do they collect data?

EVERY ACTION YOU ARE  
MAKING ON ELECTRONIC  
DEVICE

# How do we prevent or avoid?

Be more serious with sensitive data

Choose to take care of the important task on site  
over technology

Give out personnel information as little as you can

Give at least amount of permission to software
